

STR Presents CPSIA Webinar on December 19, 2008

Join STR for an informative webinar: "CPSIA - It's Not Just For Toys - Helping You Work Through The Legislation" on December 19th 2008 from 2 p.m. to 2:45 p.m. EST.

Considered the most comprehensive overhaul of US consumer product safety laws since the 1970's, the Consumer Product Safety Improvement Act (CPSIA) significantly affects how consumer products are evaluated for safety. Join STR as we review the new legislation and help you understand its effect on your product. If you produce, import or distribute consumer products, you don't want to miss this informational webinar.

Learning Objectives:

- Definitions of Products that the CPSIA applies (Children's Product, Children's Toys, Child Care Articles)
- Timeline Summary (important dates in the upcoming year as requirements go into effect)
- Grid of mandatory Third Party Testing for Children's Products
- GCC-General Conformity Certificate
- Hardlines example (Dining Room Furniture) and Softlines example (Apparel)
- Importance of TRACEABILITY
- Benefits received through partnering with STR: Eliminating Redundant Testing keeping your testing costs to a minimum

Who should attend:

- Hardlines and Softlines Manufacturers & Retailers
- Toys & Premiums Manufacturers & Retailers

Date: December 19, 2008
